

# ISET MA PROGRAM 2015

---

## Master's Degree in Economics

ISET - International School of Economics at TSU is opening the annual application process for its highly prestigious Master's Degree Program in Economics. ISET's curriculum mirrors the best programs in the US and Western Europe and is taught in English by international professors.

Applications for admission in 2015 are accepted online ([www.iset.ge](http://www.iset.ge)). The deadline for applications is May 5, 2015. Admission exams will be held simultaneously in Baku, Tbilisi, and Yerevan in early May 2015.

All regional students accepted into the Master's program will be invited to **study tuition-free** at ISET's summer math camp (3 weeks in August 2015) and during the first miniterm (8 weeks in September-October 2015).

---

## Tuition and Financial Aid

**Living Stipends:** outstanding regional students are granted monthly stipends in the amount of USD 75-200, depending on performance.

**Housing:** students from Armenia and Azerbaijan are eligible for free housing in ISET-rented apartments. In case of demonstrated need, Georgian students whose families reside outside Tbilisi will also be considered for housing support.

**Merit-based Scholarships:** all successful applicants are eligible for merit-based scholarships, up to the full cost of tuition.

**Student Loans:** ISET is negotiating a low-cost bank loan program to help students cover the cost of their education.

**Georgian Government Grants:** Students receiving Georgian government grants may apply them toward the cost of tuition at ISET.

---

## Outstanding Future Career Prospects

**Professional internships** in the region and abroad with public and private companies and international organizations, such as the World Bank and the European Bank for Reconstruction and Development (EBRD), London office.

**Enrollment in applied concentrations**, such as: Agricultural Economics, Energy and Environment, Macroeconomic Policy, Private Sector Development and Social Policy concentrations, implemented in partnership with Norwegian School of Economics and other international university partners.

**Placement in the most prestigious PhD programs** in the US and Europe. Our graduates are currently studying at Stanford University, University of Chicago, New York University, Washington University, University of Pennsylvania and University of Warwick, among others, with full funding.

### How to apply:

For Regional Applicants (from Armenia, Azerbaijan and Georgia) the admission process consists of three main stages: (1) online submission of an application package, (2) admission exams, and (3) interview, if necessary. Georgian citizens are required to pass the Georgian National Master's Exams in order to enroll at ISET. The deadline for submitting applications is **May 5, 2015**.
